

Nebbio

Producer: Wine Art Estate

Vintage: 2015

Tasting Notes: This premium varietal wine is produced from 100% Nebbiolo grapes. After being vinified by the classic red vinification method, the wine ages for 4-5 years in oak barrels. This long barrel maturation, balances the varietal's high tannic potential and enhances the complexity of the wine. Typical Nebbiolo light red colour, with the characteristic brick-orange hue at the rim of the glass. Complex bouquet of plums, black olives, cedar and sun-dried tomatoes. Robust and full-bodied in the mouth, with vigorous tannins and a structural elegance.
