

Ixnos

Producer: Palivou

Vintage: 2021

Tasting Notes: An explosive and rich wine made with grapes that have over-ripened on the vine. It is a deep, ruby red. Its profile is rich and fruity. The bouquet combines aromas of prunes, dates, baked raisins, and ripe fruit, with woody notes of sweet spices. In the mouth, velvety rounded tannins, with an intense, complex aftertaste. Without a doubt, a big wine that is suitable for long aging
